

To All Prospective Cadets,

It is the policy of this academy, and in your best interest, to insist that all applicants for admission to our program successfully meet the following requirements prior to being admitted to starting class as a cadet:

1. A Minnesota Multiphasic Personality Inventory- 2 (MMPI-2) and psychological interview, to be conducted by a licensed psychologist.
2. A physical examination, conducted by a licensed physician or Physician's assistant.
3. A Pennsylvania State Police Criminal Record Check.
4. A signed and notarized Authorization to Release Information form.
5. Pre-Physical Fitness examination.
6. Nelson-Denny Reading examination

Final admission into the Academy will be determined when all the credentials have been received and reviewed by the Academy. In addition, your Official High School Transcript or Official GED, along with any Official College Transcript(s), must be received and reviewed by the Admissions Office.

We realize there are cases of those persons who apply late for admission. Those persons may be permitted to begin class at their own risk and under condition that they successfully complete the aforementioned requirements. Failure to submit these forms in a timely manner, or being unsuccessful in the passing any of the examinations, will require that the cadet be dismissed from the program immediately.

I have read and understand the above statement and policy of the Mercyhurst College Municipal Police Training Academy.
